"I believe that serving clients with leadership, ethics, and integrity is essential. My goal is to empower clients to make informed decisions by providing clear guidance and unwavering support."

Michael B. (Mike) Duffy is a partner at Fraser Stryker PC LLO, focusing his practice on white-collar defense and investigations, environmental law and toxic torts, and commercial litigation. With over a decade of experience as a state and federal prosecutor, Mike has significant expertise in handling cases involving grand jury subpoenas, government investigations, public corruption, and federal offenses and sentencing.

Throughout his career, Mike has successfully tried numerous bench and jury trials to verdict and has argued cases before state and federal appellate courts. His prosecutorial experience includes the successful prosecution of public officials at the highest levels of state government. This background provides him with a comprehensive understanding of the criminal justice system, which he leverages to benefit his clients.
